Local Funeral Planner Receives Recognition

10-22-97

Mrs. Judy Coy, a Funeral Planning Counselor at Olpin Mortuary in Heber City, has recently been inducted into the Forethought Circle of Excellence, a coveted distinction awarded to funeral service professionals by The Forethought Group, a subsidiary of Hillenbrand Industries in Batesville, IN.

As a member of the Circle of Excellence, Judy joins an elite group of her funeral service colleagues who have achieved excellence in advanced funeral planning. To qualify for this distinction, a Forethought Life Insurance agent must be in good standing with the company, demonstrate a genuine concern and compassion for serving families, and meet certain sales criteria established by The Forethought Group.

In appreciation for her hard work and dedication, Judy will receive special recognition from the Forethought Group.

Judy provides funeral planning assistance at Olpin Mortuary and offers the Forethought funeral planning program. This program provides families a way to plan and

fund funeral services in advance with Olpin Mortuary. The plan provides a safeguard against inflation and rising funeral costs.

Olpin Mortuary and The Forethought Group hopes you will join them in congratulating Judy Coy on her outstanding achievement and service to the community. If you would like to learn more from Judy about the funeral pre-planner services provided at Olpin Mortuary, call her at 654-1161.
